

CITY OF ARCHDALE 307 BALFOUR DR, ARCHDALE NC 27263

WWW.ARCHDALE-NC.GOV

Retirement of Mayor Bert Lance-Stone

After more than 29 years of public service, Mayor Stone retired at the end of the June City Council meeting. We give thanks for her leadership and guidance over the years and wish her well in retirement.

City Council appointed Mayor Pro Tem Lewis Dorsett to fill the role of Mayor for the remainder of the term.

Congratulations to both of these community leaders

Right: Mayor Stone receives her gavel as a token of appreciation for 20+ years as Mayor and 8 on City Council.

Schedule & Updates!

Holiday Closings

City Hall will be closed:

- **July 5th** for Independence Day
- **September 1st** for Labor Day

No Changes to the Trash & Recycling pick for the above dates.

Please make a note of these closures.

Utility Statement Email

Are you experiencing mail delays? Would you like to reduce paper clutter? Do you pay your bills electronically? This is a reminder that you may sign up to receive your utility statement by email. See the top right-hand corner of your monthly statement for information on how you can sign up to receive statements directly to your email. Be sure to include your account number with any payments made by check.

On the top right corner of your statement:

To receive future statement electronically,

Visit <https://archdale.estmt.net>

Your registrations ID: XXXX-XXXX-XXXX

Friendly Reminder from the Archdale Police Department:

Be mindful of the City Speed Limit of 35mph unless otherwise posted. Some neighborhoods have 25mph speed limits. Be safe & aware this summer.

Follow the City on Social Media & Spectrum Channel 8 for updates & news:

STRAIGHT TO THE LANDFILL

Refuse, reduce, reuse, or re-purpose these items — otherwise put them in the trash.

Aerosol cans

Aerosol cans are a fire hazard. Take them to a hazardous waste drop-off center. If empty, send to the landfill.

Ceramic Items

Ceramic is a hard material to sort and can't be remanufactured.

Pumps or tubes

They are made of multiple materials that can't be separated for recycling.

Receipts

This type of thin "paper" can contain non-recyclable layers and chemicals.

Styrofoam

Styrofoam breaks down into tiny pieces in the recycling machinery.

Tanglers

Cords, hoses, wires, plastic gloves, etc. get caught in the recycling machinery.

WHAT TO RECYCLE?

Everyone knows paper, bottles, and cans traditionally go in the recycling bin, but the following items are often mistaken as curbside recyclables. When in doubt, throw it out!

NON-CURBSIDE RECYCLABLES

While these items are **NOT** accepted in your curbside recycling, there are other ways to keep them out of the landfill. Call your local recycling convenience center to find out if they accept these items and more!

Appliances

Take appliances to a convenience center.

Electronics

Take computers, televisions and other electronics to a convenience center.

Clothing and textiles

Donate clothing and textiles to a convenience center or thrift store.

Hazardous waste

Take to a convenience center or call 877-623-6748 for other drop-off locations.

Medical waste

Call your local public health department for medical disposal information.

Plastic bags and wrap

Return clean, dry plastic bags, wraps and packaging to the grocery store.

Paper towels and napkins

Compost paper towels and napkins; this paper is too thin to recycle and often, too dirty.

Food waste

Place food waste in your compost.

Events

July 4th – Fireworks at Creekside Park. Join us for a slightly smaller event than usual. We will begin parking cars at 6pm. Food trucks will be on site for anyone who wants dinner or treats. Fireworks will commence at dark.
